MESSAGE FROM THE FOUNDER

RÉGIS GLORIEUX

Ever since Vatel Bordeaux was created, I have sought to uphold what I consider to be essential values in education – rigor, excellence, ambition, consideration for others and respect – among our students, teachers and the professionals who work with us.

With the opening of our international courses dedicated to English speaking students, we focus on providing multicultural top-class education to future professionals in the Hospitality, Tourism and Wine & Spirits industry.

By participating in international competitions such as the "Hospitality Awards", opening a 2nd campus in October 2018, managing the only hospitality management school in France integrating a 4-star "European Eco-labelled" Hotel, Vatel Bordeaux continues to innovate and invest for the good of its students, teachers and administrative staff, partners and all those we have the opportunity to work with.
